1:15 p.m. at the

Station in Heber City

or at

Bridal Veil Falls in Provo Canyon

(Two Trains!)

*Missed it -*

You're invited to come aboard the Heber Creeper at either the Creeper Station in Heber or at Bridal Veil, as the Creeper introduces its 1973 dual train runs. It's a preview run for our friends in the press.

If you board at Bridal Veil in Provo Canyon, you'll travel to Cascade on Deer Creek Dam and then return. If you board at Heber, you'll travel through the meadowland and along the lakeshore to Cascade and return. (Either way is gorgeous. Honest!)

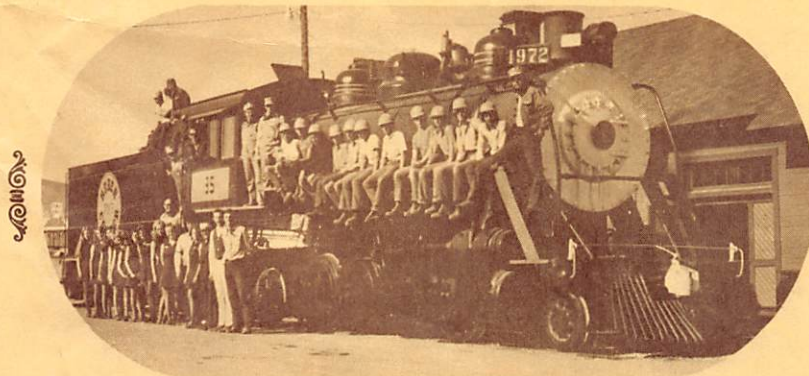

Either train will return you to your starting point by about 3:30 p.m.

We'll have refreshments including light spirits and munchies.

All you have to do is call Ed McLaughlin or Lowe Ashton at the Creeper in Heber (1-654-2621) before May 16, and tell them how many will be in your party and whether you want to take the canyon route from Bridal Veil or the valley route from Heber.

See you May 19 at 1:15 Sharp!

Board!
